FIRST CHURCH OF CHRIST CONG.
CLINTON, CONN.

Hi Grammie,

We just love it here & wish you had to get sick & miss some of the nice weather on the beach. Take it easy now.

The days have been so nice & we were both in the water on Mon. & we raced it. Grammie Mommie & me all went for a walk this eve. & we came back & I fell out & ready for bed. So good night & love Paul & David
